egg order form

The egg is one of the oldest mediums in the decorative arts. Traditionally a decorated egg is given as a gift to express the love and friendship that lies deep in the heart of the giver. Resident artist and owner Kathleen Beck creates carved and painted real egg shells, personalized with names and dates, for her customers to give as very special gifts for birthdays, weddings, anniversaries, and other occasions.

CUSTOM GOOSE EGGS - \$45: includes 1 or 2 names, date and design (add \$5 for gold or silver). **\$60:** for carved/painted eggs (see back for B&W examples). Please fill in form below.
